**ELECTRICITY ACT 1989**

**TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997**

**THE ELECTRICITY WORKS (ENVIRONMENTAL IMPACT ASSESSMENT) (SCOTLAND)  
REGULATIONS 2017**

Notice is hereby given that ESB Asset Development UK Limited, ("the Company") with company registration number 06925667, having its registered office at Fora, 16-19 Eastcastle, London, W1W 8DY has applied to the Scottish Ministers for consent under section 36 of the Electricity Act 1989 to construct and operate a wind farm known as West Torrisdale Wind Farm on land approximately 4 km southwest of Carradale, Argyll and Bute, in Scotland (Central Grid Reference NR 76731 36486). The installed capacity of the proposed generating station would be over 50 MW comprising up to 9 turbines with a ground to blade tip height of 149.9 metres. The proposed generating station also includes a proposed battery energy storage system (BESS) of approximately 20 MW. The proposed development is subject to Environmental Impact Assessment (EIA) and an EIA Report has been produced.

The Company has also requested a direction under section 57(2) of the Town and Country Planning (Scotland) Act 1997 that planning permission for the development be deemed to be granted.

The Company has now submitted additional information to Scottish Ministers, comprising an Additional Information Report which includes information relating to seascape, landscape and visual; ecology; ornithology; hydrology and hydrogeology; geology and soils; and noise.

Copies of the additional information, the application and the EIA Report ('the information') are available for public inspection in person, free of charge, during normal office hours at:

Location	Opening Hours	Address

Copies of the information may be obtained from ESB Asset Development UK Limited (email: [westtorrisdale@esb.ie](mailto:westtorrisdale@esb.ie)) at a charge of £1,000.00 hard copy, and free of charge for a digital copy on USB drive.

All previous representations received by Scottish Ministers in relation to the application remain valid.

Any new representations on the application may be submitted by email to the Scottish Government via [representations@gov.scot](mailto:representations@gov.scot); or by post to the Scottish Government, Energy

Consents Unit, 4<sup>th</sup> Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU, identifying the proposal and specifying the grounds for representation.

Written or emailed representations should be dated, clearly stating the name (in block capitals) and full postal address of those making representations. Emailed representations should also include the full return email address of those making representations. Only representations sent by email to [representations@gov.scot](mailto:representations@gov.scot) will receive acknowledgement.

All representations should be received not later than 13<sup>th</sup> October 2025, although Ministers may consider representations received after this date.

Any subsequent additional information which is submitted by the developer will be subject to further public notice in this manner, and representations to such information will be accepted as per this notice.

Where Scottish Ministers are required to, or decide to exercise their discretion to do so, they can cause a public inquiry to be held.

Following examination of the environmental information and all views and representations received, Scottish Ministers will determine this application for consent in one of two ways:

- Consent the proposal, with or without conditions attached; or
- Reject the proposal
